

## Major Roadworks through Pensford

Works have commenced to carry out a series of improvements through Pensford village aimed at slowing traffic and enhancing facilities for pedestrians.

Unfortunately, as the road through the village is so narrow, maintaining safety during the works will require a closure of the A37 from Monday 18 February to Sunday 24 February, between the hours of 9.30am and 3.30pm. During the road closure a signed diversion route suitable for all traffic will be in place using the A368/A39/A4 as shown on the map below.
